Tax- Free Childcare Account

A Tax-Free Childcare account is a UK government scheme that helps working parents with childcare costs. For every £8 you deposit into the online account, the government automatically adds an extra £2, effectively giving a 20% discount on your childcare bills. You can receive a government top-up of up to £500 every 3 months (up to £2,000 per year) for each child. For disabled children, the limit increases to £1,000 every 3 months (up to £4,000 per year).
